

# AW Brown Dental Christmas Newsletter

With 2025 coming to a close, we would like to take this time to thank all our patients for your loyalty and support throughout the year.

We hope that over the past year we've been able to look after you with the dedication and kindness you deserve.

Wishing you a joyful festive season — enjoy the celebrations, but do keep an eye on those sweet treats (especially the hard, sticky ones!).

Have a very Merry Christmas and a Happy New Year.

Best wishes,  
Dr Poddar and the team at AW  
Brown Dental Practice.

## Did You Know? Fun Dental Facts

Fact 1: It is thought that the average person spends over a month in their lifetime cleaning their teeth. That's a lot of toothbrushes and toothpaste to get through!

Fact 2: Are you left or right-handed? Studies have shown that you tend to chew food on the side of your mouth, correlating with your dominant hand. So, if you're right-handed, the chances are that you chew on the right-hand side of your mouth!

Fact 3: We think of fingerprints as unique pieces of information about us as everyone's fingerprint is different. Our teeth are also unique 'prints' of revealing who we are. This is why dental records are a good form of identification if other avenues fail.
